

“The Almighty Elohim of Israel”

The word *Elohim*, I understand, is the true definition of *the Almighty One* in Hebrew whose name is YaHWeH. Am I wrong? I do not believe so. I have been doing a lot of research on this matter from several years back. When you care enough to prove all things, as said in 1 Thess. 5:21, you cannot live with yourself without doing just that.

Well, I believe myself to be very honest with myself as well as with others. I am thankful for an unidentified friend that left a message concerning the titles of *Lord* and *God* in our English Bible. That is a very long story, but I understand it very well and wish you did also. I am willing to instruct others, as much as myself. Every undertaking that I go about to prove all this to be true is available in libraries, dictionaries, universities, and Jewish Synagogues. I am truly convinced that the true Hebrew *Sacred Name* of Almighty Elohim (G-d) is **YaHWeH**. No doubt about it! Now considering that the Son came in His Father's Name, the **YaH** for short, has to be **YaH-shua**, His *true name*, which carries a message...**YaHWeH saves**, the same as “they shall call His name **Emmanuel**” meaning **Elohim with us**. Yes, the Father and the Son are together as one! Having knowledge of His true name, I dare not preach the gospel of any other. It would be depriving Him of His glory and I cannot glorify Him in any other name for there is **no other name given Him of the Father**.

If you think that the Almighty Elohim gave Him the name “Jesus”, you'd better think again. Check this out for that is exactly what we will have to do! Some believe His holy and righteous name to be YaHshua, but refused to use it. What a shame! To deny His true name is the same as denying His word. Most everyone will reply, “If that be true, how come his name appears as Jesus Christ in other Bibles?” Simply because you have an English Bible. I am thankful to have an English Bible because I only know one language, and that is English. However, the Author and Finisher of our faith, has the Hebrew name **YaHshua**, a universal name! Would you answer a false name? I would not. Kings or Presidents of other countries who visit America should be addressed in their native names. Even so, the **King of Kings** should be honored his own sacred, birth given Name! Honestly, do you think that man can change that sacred name and get away with it? YaHWeH forbid! I hope this stirs your readers to the fullness. Be swift to hear and slow to speak, but if you must speak, I am well accustomed to scorn.

I have been called everything from a cult to an infidel. I would be greatly astonished if the public spoke highly of me. They spoke evil of YaHshua Messiah, so who am I? However, someone is taking this all in. Truth will triumph! YaHshua said to the unbelieving Jews, “How can you believe, which receive honor one of another, and seek not the honor that cometh from Elohim (G-d) only?” (Jn. 5:44). Do you, as said in Mt. 1:23, “call His name Emmanuel”? You should for Emmanuel means **Elohim with us**. Why did they change it to “God with us”? You don't know? Well I certainly do and that is the reason that I try to help others to see the truth of our Father's will. Was the New Testament originally written in Greek or Hebrew? If in Greek they say, why didn't they use Greek words altogether instead of some Hebrew words such as Emmanuel, HalleluYah, and many others? Greek words have not the same meanings as Hebrew words. Only **Emmanuel** means Elohim with us. Only **YaHshua** means YaHWeH saves. Does “Jesus” mean YaHWeH saves? No! Does Emmanuel mean God with us? No! Does HalleluYah mean praise God? No! It *only* means praise **YaHWeH**.

Consider this and check this out. Look for more messages around the first of every month hereafter. Please help a friend by giving this message to them. May YaHWeH bless you and yours. In YaHshua's holy name.
